

Bush Fire Project

Providing help and hope for Uganda's orphans and at-risk children

DECEMBER 21, 2005

VOLUME 1, NUMBER 1

***“For you are great and do wondrous things; You alone are God.”
Psalm 86:10***

The mission of Bush Fire Project is to help the Uganda Family Resource Link, through its various ministries, meet the physical, social, educational and spiritual needs of orphans and at-risk children.

*Bush Fire Project is a charitable project of the National Heritage Foundation.
www.nhf.org*

First of all we want to give our thanks and praise to our God for it is by His hand that these works have been accomplished. We'd like to share with you some of the highlights from Bush Fire Project since its beginnings just 4 months ago.

Child Sponsorship Program/Children's Home

We are pleased to report that we now have sponsors for 51 of the 60 children currently living at the Bush Fire Children's Home. The four existing houses are now full and additional homes will need to be built before taking on more children. Uganda Family Resource Link is planning to begin building two new homes in 2006 and Bush Fire Project will be supporting these construction efforts. Please pray for the Lord's provision for these new homes. Pray also for His guidance as the staff seeks to find the most desperate children to bring to Bush Fire when these homes are available.

Bush Fire Clinic

The clinic is now providing health care services for the staff and children at Bush Fire. It is anticipated that the clinic will be open to the outside community sometime in January.

A recent donation to Bush Fire Project made specifically for the purchase of a microscope and sterilizer will enable the clinic to begin providing laboratory services.

Our congratulations to Sam and Eva Kitalya (Directors of Uganda Family Resource Link) on the birth of their son, Sam.

Prayer Requests

God's wisdom and guidance for every aspect of this ministry here in the U.S. and in Uganda

Completion of the school building and funds to equip and staff it so classes can begin at the end of January

Funding for additional homes and for the Lord's guidance in the child selection process

Safe trip for Megan as she travels to Uganda

Bush Fire Primary School

The roofing phase of construction is now underway and the building is nearing completion. Classes will begin in January 2006. Contributions designated to the Bush Fire School will be used to help equip the school with furniture, provide supplies and textbooks, and pay for teachers' salaries.

Missions

On January 4th, Megan Brown will be returning to Uganda where she will be serving the Bush Fire Community for the next two years. In addition to teaching English at the school, she will be assisting Bush Fire Project with the letter writing aspect of the sponsorship program. Please pray for Megan as she prepares for her departure. Pray that her needs would be met, for a safe journey to Africa, and that the Lord would go before her and prepare her for the work that He has for her to do.

If you wish to support a specific project of this foundation, you may designate it with your contribution. Projects you may contribute to include:

Sponsorship program
(contact Bush Fire Project for details)

Bush Fire School

Bush Fire Clinic

Bush Fire Farm

Building projects (staff housing and new homes for additional children)

Missionary support for Megan Brown

General (contribution will go to the area of greatest need)

Contributions made to Bush Fire Project are tax deductible. For individual contributions over \$250 you will receive a receipt directly from National Heritage Foundation. In accordance with IRS regulations, for contributions under \$250, your cancelled check will serve as proof of donation for tax purposes.
